Additional Info

Scope changes	×
Any changes to the scope of the project will impact the timeline and budget. We will provide a new quote for any additional work.	
Image licenses	×
Image, video and any other media licenses are not included in the quote. At launch, we will provide a list of all media used on the website (if any) and their licenses. This simply means that you are responsible for the licenses of any media you provide.	
Payments?	×
We require a 50% deposit before we start the project. The remaining 50% is due upon completion of the project.
